

NOW RECRUITING · FINANCE & LEGAL

Law students – OneAIM is looking for you.

We're **germany's biggest healthtech student initiative** based in Munich working at the intersection of healthcare and technology – and we're currently **expanding** our Finance & Legal team.

If you're studying **Law or any related subject** (any semester) and want to apply your skills in a real, meaningful context alongside motivated students from medicine, business, and tech – this is your chance.

WHAT YOU CAN EXPECT

01

Hands-on legal work in a growing student initiative

02

Collaboration with an **interdisciplinary** team

03

Flexible commitment – a few hours per week or more deeply involved
